#### WASTE FROM 1 October 2013 ON THE SISTRI

The Environment Ministry announced in a note the approval of a decree providing for the creation of Sistri from 1 October 2013 for manufacturers and operators of hazardous waste. The Sistri tracking system special and hazardous waste, will be activated from October 1, 2013 for producers of hazardous waste with more than ten employees and for government agencies and companies dealing with hazardous waste, while all other companies startup system is set for March 3, 2014. This is established by a decree of the Environment Minister Corrado Clini. The Ministry announced that he had overcome the problems and technical information that until now had necessitated his suspension.

The Studio Dr. Ing. Leonardo Bonini is available for the necessary assessment.
