GUIDELINES INAIL GENDER DIFFERENCES

INAIL has published a series of four manuals to address in a comprehensive way the gender difference in the workplace with a view of prevention and protection of women workers. This is the formalization of the specific project coordinated by the Committee of INAIL unique guarantee, together with the Tuscany Regional Directorate of INAIL and the Toscana region.

Objective of the project is to reach the definition of specialized guidelines for the application, with a gender approach, with safety standards, provided for in Decree 81/2008 and subsequent amendments .
